BIO

Roman Jack is a French Afro House DJ, producer, cultural curator and creative entrepreneur whose musical universe blends soulful grooves, organic percussion, cinematic textures, and deep emotional storytelling into immersive dancefloor experiences. With more than two decades of experience behind the decks and in music production, he has developed a refined artistic identity shaped by multicultural influences, global house culture and a deep connection to rhythm as a universal language.

Originally from the southwest coast of France and now based in Helsinki, Roman Jack's artistic journey has been influenced by extensive experiences across Europe and Asia, with a strong inspiration drawn from African musical heritage and contemporary Afro electronic culture. His approach to Afro House goes beyond genre classification: it is rooted in cultural dialogue, emotional connection, spirituality, movement and the celebration of rhythm driven communities around the world.

As a producer, he has collaborated with internationally respected artists including [Q. Narongwate](#), [Lee Wilson](#), [Hannah Khemoh](#), [Fred Everything](#), further shaping his signature blend of soulful House and Afro electronic textures with [Guri & Eider](#). His productions have been released on acclaimed labels such as [NULU](#), the influential New York imprint owned by legendary artist [Anané Vega](#) alongside releases on the respected [Kiko Navarro](#)'s label [AFROTERRANEO](#), or [Sebas Ramis](#)'s [SUB URBAN](#), and [Hallex M](#)'s [UMR](#).

Beyond production and live performances, Roman Jack has also been active in media and brand collaborations. He previously served as a resident DJ on [GLOBAL FM](#), connecting with international audiences through curated electronic music programming between London and New York. He is also a brand ambassador for [REMIX GEAR](#), reflecting his connection to contemporary DJ culture and lifestyle aesthetics.

Roman Jack is also the co-founder of [SONGEA](#), a movement dedicated to pushing House music culture in Finland and beyond. Focused on the deeper and more soulful side of electronic music, SONGEA showcases genres such as Tech House, Deep House, Afro House, Gqom, and 3-Step within an organic and groove-oriented musical direction. More than an event series, SONGEA aims to build a long-term cultural platform through a record label, artist interviews, live-recorded DJ sets, curated media content, collaborations, and partnerships with artists, promoters, and creative communities internationally.

Driven by authenticity, artistic depth, and cultural connection, Roman Jack continues to position himself as an artist whose vision extends beyond nightlife building bridges between music, emotion, culture, and human experience through a modern and globally inspired Afro House identity.
