BIO

Hailing from the vibrant west rand of Johannesburg in the small mining town of Westonaria, Ta Mish (SA) has carved a niche for himself as a dynamic dj specializing in Afro house, Afro tech, progressive house, Afro, melodic house, and electronic music.

His journey into the world of music began in the early 2000s inspired by shows like [osikido's Church Grooves on YFM](#).

Starting with a humble collection of cassettes he later evolved over time to CDS and beyond.

After completing high school Ta Mish (SA) delved deeper into his passion by learning music production, focusing primarily on house music.

His dedication paid off in 2015 when he secured a bursary to study music production and audio engineering at Boston City College under the esteemed [Soul Candi Institute of Music](#).
