BIO

Meet Toby One, the Artist & Marketing Manager of SONGEA.

Toby One is a Helsinki-based DJ, a producer and a drummer with two decades of experience behind the decks. His journey started as a teenager, when he discovered hiphop culture. From there, he has immersed himself into wide range of club music, such as Deep house, Dubstep, Grime, Dub techno and Techno.

Over the past few years Toby One has been passionate for South African electronic music. With a background as a drummer and a percussionist, he mainly focuses on the groove and the impact of hard-hitting percussion in his sets. He often blends multiple genres in his sets, creating a musical journey that move through a range of emotional states.

He hosts [@suntanssit](#), a monthly sober Sunday dance raves in Helsinki, at a cozy [Magito](#) venue. With SUNTANSSIT, Toby One wants to offer a proper alternative for traditional late-night clubbing. His mission is to hold spaces and build a culture where people can freely express themselves and enjoy life through music, movement and dance.

STREAMS

Performing on a Main stage at [Natural High Healing Festival](#) in Finland in July 2026 for over 1000 people was one of the highlights on Toby One's career. It was his second performance at the biggest wellness festival in the Nordics, securing his position on the scene as a well acclaimed DJ and a performer. In February 2026, Toby One was headlining at the Yoga Festival by Night party, which is a well- renowned event in Helsinki.

As a DJ, Toby One is always fully connected to the music, bringing 100% to every performance. He has a deep understanding of electronic music and its nuances and his love and passion to exploring and playing new music never fades.

Toby One have been making music for many years for his own enjoyment, and now he is taking a next step as a producer, working on his debut Afro tech single for [SONGEA](#). His recent productions draw heavily on South African music, blended with elements of dub techno and deep house. His extensive musical experience, knowledge and taste have shaped his unique artistic identity and signature sound.
